NAADAP Addictions Counselor – Healing and Wellness

Hiring organization
OLHBI

Description

Employment Type
Full-time

The Addiction Counselor will counsel and advise individuals with addictions such as alcohol, tobacco, drug, or other problems, such as gambling and eating disorders. May counsel individuals, families, groups, or engage in prevention programs. Addiction Counselors are required to provide coordination in the areas of case management, case planning, and implementation of addiction programs. The Addiction Counselor assesses and provides direct intervention or referral to appropriate service providers/programs, for clients on issues related to: addictive patterns of behavior; concurrent disorders; and other mental health, behavioral and emotional concerns such as abuse, violence, grief and loss when these are connected to addictions or the impact of addictions within the family and inter-generationally.

Reports to: Program Manager

Responsibilities

- Provide screening, intake and assessment for clients in order to determine the presenting issue(s), and access appropriate treatment programming and/or services.
- Apply knowledge of the symptoms of overdose/withdrawal of various substances including, alcohol, cannabis and cocaine, and being prepared to assist the person in seeking medical attention.
- Develop a treatment plan for each client based on the assessment of presenting issue(s).
- Provide ongoing evaluation and revision of client's progress/goals.
- Provide appropriate intervention to the client and the community based on their assessment and treatment plan.
- Provide relapse prevention services; provide crisis intervention services
- Provide follow-up to clients once the counseling services are complete.
- With permission of clients, consult with relevant caregivers and significant others in clients' lives in order to update, modify or reassess treatment plans and intervention strategies.
- Collaborate with community agencies such as law enforcement, probation, education, social service agencies, medical profession and other chemical dependency treatment facilities to identify gaps in community services and develop plans for addressing these gaps.
- Create and maintain client records in a confidential and professional manner; Compile caseload statistics and prepare program and client reports.
- Intervene as advocate for clients or patients to resolve emergency problems in crisis situations.

Qualifications

- Completion of a diploma or degree program in Addiction Counseling;

Minimum 2 years experience in Addictions Counseling.

- Certified Alcohol & Drug Counselor (I.C.A.D.C.) from the Addiction Intervention Association, the Canadian Certifying Body for Addiction Counselors, preferred.
- A sound knowledge of various therapeutic addiction counseling theories and practices is required.
- Sound knowledge of the following techniques is required: crisis intervention, anger diffusion, conflict intervention and resolution, use of chemical dependency diagnostic tools.
- Shift will run from 2:00p.m-10:00pm Monday to Friday.
